Having obtained my discharge from the Army on the 17th day of February 1906 I proceeded to my homestead on the 19th and having been continuously on the land from that time to the present date I will get my patent for the land as soon as possible.

Re Oley P. Hill,
S.W. of 2-14-4-W.4th Mer.
Your Ref. 117068.

I am in receipt of your letter of the 30th March last enclosing a report from Homestead Inspector Bowyer in which he says that he was unable to give you any information as to the present location or Post Office address of Mr. Oley P. Hill.

I now enclose for your information copy of a letter dated the 28th ultimo just received from Mr. Hill from which you will see that his address is 629-6th St., Medicine Hat, Alta.

I am writing for an Abstract of Title for the land but in the meantime would suggest that one of your inspectors be directed to interview Mr. Hill and endeavour to get the real facts in the case. Unless Mr. Hill has disposed of the land it is not likely at his age that a collection of the indebtedness will be practicable.

Re S.W. of 2-14-4-W.4th Mer.
Your Ref. 117068.

Referring to your letter of the 30th March last with enclosed report from Homestead Inspector Bowyer.

According to Abstract of Title just received Oley Peterson Hill is still the registered owner of the S.W. of 2-14-4-W.4; but the Canadian Bank of Commerce has mortgage against it amounting, to nearly $1400.00. I also notice that Mr. Hill has had quite a lot of assistance from the Crown and Provincial Authorities and that a caveat under the 1922 Tax Recovery Act was lodged by the Department of Municipal Affairs on the 14th October, 1922.

Evidently Mr. Hill has little if any equity in this land now, and collection will have to be deferred indefinitely until the property gets into the hands of a new owner.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have your letter of the 9th instant, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

This land which is located outside of the settlement area, is presently included in Grazing Lease No. 33379. This lease expires on the 1st of January, 1963. It does not appear that there is any use for this land, except for grazing.

Re: Account of Oley Peterson Hill
S.W. 2-14-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $95.85 were advanced to Oley Peterson Hill on the security of the above mentioned land. A payment of $59.86 was received in 1952 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 95.85	$ 115.91	$ 211.76

Patent was issued in the name of Oley Peterson Hill for the S.W. 2-14-4-W4 on the 11th of March 1915 subject to the 1915 liens.

In 1928 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 9th of September 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This land which is located outside of the settlement area, is presently included in Grazing Lease No. 33379. This lease expires on the 1st of January, 1963. It does not appear that there is any use for this land, except for grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Sir,

I beg to inform you that in accordance with the Declaration of Abandonment executed by you your entry for the N.W.¼ of 8--66--22--W. 4th Meridian has been cancelled in the records here and you will be allowed sixty days from this date within which to arrange for the location of Half-bree Scrip upon this land.

In taking advantage of this offer you are no doubt aware that you thereby forfeit your right to make another homestead entry.

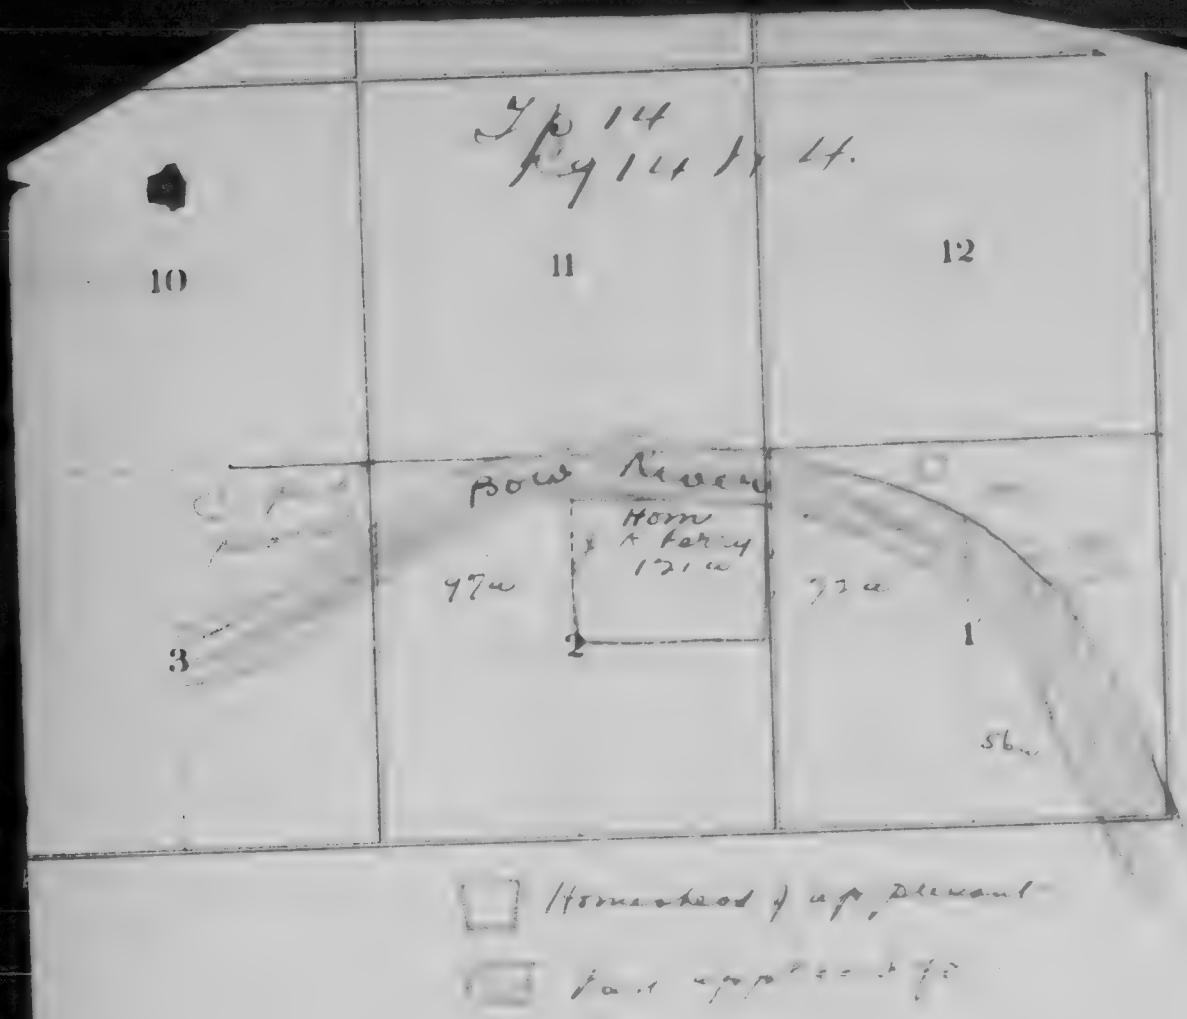
Ottawa, August 29th 1907.

With reference to the memorandum of ~~this Branch~~ ~~dated~~ April 12th 1905, relating to the application of James P. Perry Jr. to purchase the Sw¼ of Section 1, Township 14, Range 14, West 4th Meridian, but which fraction is under lease to one H.P.Brown: The Commissioner of Dominion Lands requested an inspection and report also a statement as to how the said lease would be affected by such a sale.

The Acting Agent of Dominion Lands at Portage la Prairie sends two reports. One from Homestead Inspector Link in which he states that land applied for appears suitable for raising or hay being river bottom. That applicant has a head of stock and is desirous to secure a settlement duties for them on his own homestead. That he proposes to be a bona fide settler and requests that applicant be permitted to purchase the fraction applied for at price of $4. per acre. That applicant's homestead was broken and stony being only fit for grazing purposes.



The second report from Homestead Inspector Williamson relating to the manner in which the above mentioned lease would be affected by such a sale, stated that he could not see how such a sale could interfere with the said lease.

MEMORANDUM:-

With reference to Mr.Glidden's memorandum of the 29th August, 1907, (Marked), in relation to the application of Mr.James R.Perry, Jr., to purchase the fractional N.W.¼ of Section 1, Township 14, Range 14, West of the Fourth Meridian, South of the River, I beg to say that the Agent of Dominion Lands at Lethbridge was duly advised in accordance with the decision, that it was not considered that the Department would be justified in granting this application, as its disposition would give him control of too large a water frontage, and that Mr.Perry now renews his application for the parcel in question, and states that as there is only a small portion of his homestead which can be cultivated, he is in need of the 72 acres in question, in order to insure his living.

Mr.Perry represents further that the holder of the lease, which includes the land applied for, has no objection to its being disposed of to him, (the applicant).

Please see the sketch annexed hereto on which Mr.Perry's homestead is shown bordered red, and the land applied for hatched in red.

The Parcel applied for is in a closed lease, but it will be noted that Mr.Perry states that the licensee is willing that the land should be withdrawn.

CERTIFIED Copy of a Report of the Committee of the Privy Council, approved by His Excellency the Deputy Governor General on the 6th Oct., 1908.

P. C. No. 2051.

The Minister of the Interior submits that the last paragraph of the *Order in Council* of the 26th September, 1908, allowing the *Southern Alberta Land Company, Limited*, to acquire the right to purchase certain lands under an agreement between the said Company and the Government and substituting therefor other lands, contains a clerical error in that it omits the words, "East of Range 11, West of the Fourth Meridian," in describing the lands north of the Saskatchewan River, which the Company is allowed to relinquish, whereas the correct description of the lands to be so relinquished, according to the Company's proposal as recommended by the Minister of the Interior for acceptance is contained in the fifth paragraph of the said Order.

The Minister, therefore, recommends that the said Order in Council be amended by correcting the said error and authorizing the acceptance of the land the right to purchase which under the said agreement the Company is allowed to relinquish (as above). All that portion of the land under the said agreement which lies south of the Saskatchewan River and north of the Canadian Pacific Railway in the Province of Saskatchewan, lying west of the Fourth Meridian and comprising an additional area of 2,052,752 acres.

The Committee concur in the same for approval.

Sir;-

I beg to acknowledge the receipt of your declaration dated the 4th inst., in connection with the homestead entry of section 7, township 66, Range 25, west of the 4th meridian, your cancelled homestead, and in reply to say it is very clear in default of you having resided, that the homestead is not justified at liberty. Should, however, prior to the local agent at Athabasca, and has instructed him thereby from the fact issue, provided the land is still available and upon the presentation of the prescribed letter of the 5th ultimo.

If you are so fortunate as to secure another entry, the grant will collect nothing for the improvements which you have made.

I may add that any residence performed in the past will not count in connection with the new entry should you secure one.
